This is organized by ***Olympiad Forum*** of ***HOPE FOUNDATION*** exclusively for the students of **class I to X** (offline mode/Online) at the national and international level respectively.

Why Hope ISO: The **Hope International Scholar's Olympiad** plays a crucial role in fostering academic excellence, critical thinking, and global competitiveness among students. By providing a platform for young minds to showcase their knowledge and skills across various disciplines, it encourages intellectual curiosity and a passion for learning. This Olympiad not only challenges participants with rigorous problem-solving tasks but also nurtures their confidence, resilience, and ability to perform under pressure. Moreover, it serves as a gateway to international recognition, scholarships, and future academic opportunities, empowering students to strive for excellence. Through healthy competition and exposure to a diverse range of subjects, the Hope International Scholar's Olympiad helps shape well-rounded, future-ready individuals prepared to make meaningful contributions to society.

Our team has structured these Olympiads into two categories based on the requirements of the evaluation system.

- 1 The first one is evaluated based on chronological age, as it follows an interdisciplinary approach. This includes following 4 Olympiads.

NAME OF OLYMPIAD	SUBJECT/INTERDISCIPLINARY
Super Speller International Spelling Bee Olympiad	English spelling
International Scholars Cognitive Proficiency Olympiad	General mathematics, General science, General Intelligence, Reasoning & Aptitude
International Scholars Save Environment Save Earth Olympiad	Interdisciplinary Activity Based e.g. Essay writing, Slogan writing, Painting, Poster Making, PPT, File Cover design
International Scholars Cyber Informatics Olympiad	Computer, Information Technology & Cyber security

This Olympiad is categorized based on age groups rather than grade/class. However, to streamline the process, we have grouped certain classes together to align with the age criteria. Question papers and the preparatory e-book will be structured accordingly for each group.

GROUPS	CLASSES
I	I, II
II	III, IV, V
III	VI, VII, VIII
IV	IX, X

NOTE: The sample papers/Preparatory E-Book & question papers will be provided group wise to prepare & to conduct the test.

- 2 The second category is evaluated based on the child's grade, following a disciplinary approach. This includes following 3 Olympiads.
